Dear APUSH students,

Ms. Brown and Mr. Hackett would like to invite you to join their Summer APUSH Assignment Edmodo Group.

We realize that many of you are still waiting for your SIS schedules to be released, so you do not know if you have been accepted to the class. We are so sorry for this frustrating delay; there seems to be a problem with SIS. Please feel free to email me and I can check if you are in the class.

For those of you with end of the summer plans, please expect the assignment will take at minimum 10 hours. You may go on to Edmodo at any time to start, if you need to get a jump on the assignment, or need to start before your spot in the class has been confirmed.

To join the Summer APUSH Assignment Edmodo Group go to **www.edmodo.com** on your computer or phone. Next click on "Join a Group" and follow instructions. The code for our group is **qu6m44**.

Thank you for your patience. We look forward to seeing you next week.

Sincerely,

Ms. Brown and Mr. Hackett
